**RE: Petition to Revive Abandoned Patent Application 10/669407**

Dear Sir/ Madam,

After I mailed my amended Patent Application on 11 April 2005 I spoke with Patent Examiner Stephen Avila. He was in the throws of moving his office and I was in the midst of moving from Cape Cod to Florida. He assured me that the amended application had been received and that everything was in order.

Two days ago I received a notice of abandonment (dated 7/21/05) after I wrote a letter notifying him of my new address and contact information (dated 6/15/05). It is clearly not my intention to abandon my patent application and I respectfully pray that you revive my application and continue the process with the information that was received on 11 April 2005.

Please find a check in the amount of \$100 for the petition fee. If There is anything that I have failed to do please have someone contact me.

Very respectfully,

Eric Bleicken
